ESSENTIALS

The **Essentials** are three vital areas of learning that all La Trobe undergraduate students will experience throughout their course:

- The **Global Citizenship Essential** will be evaluated in this subject by your assessment items and the content delivered in the subject. You will have the opportunity to learn and share your experiences and to gain an appreciation for the viewpoints of others.

SUBJECT INTENDED LEARNING OUTCOMES (SILOS)

Upon successful completion of this subject, you should be able to:

- 1 Apply ethical theory to the resolution of ethical dilemmas in IT
- 2 Develop a personal ethical framework for IT practice
- 3 Investigate and intensively analyse significant contemporary social, legal and ethical issues in IT
- 4 Apply the principles of critical thinking to social, legal and ethical issues in IT
- 5 Appreciate the responsibilities of IT professionals to employers, clients and society.
- 6 Develop an appreciation of the importance of reflection in professional practice

HURDLE REQUIREMENTS

There are a variety of assessment hurdles or conditions for passing a subject other than the overall mark. **Hurdle Requirements** may be built into the assessment of the learning outcomes of your subject.

The Hurdle Requirements for this subject are:

Students must attempt ALL assessments, and

- Achieve an overall mark of at least 50% in the final (summed marks) for all Non-Exam assessments, and
- Achieve a mark of 50% for the Written Examination Assessment

SPECIAL CONSIDERATION

If you are not able to complete an assessment task on the scheduled date due to exceptional circumstances beyond your control, you may be eligible for **Special Consideration**.

Information regarding **Special Consideration** can be found at <http://www.latrobe.edu.au/special-consideration>

REQUEST AN EXTENSION OF TIME TO SUBMIT AN ASSIGNMENT TASK

If the assessment task is worth 15% or more of the total assessment for this subject and you are not able to submit it by the due date, you will need to request for an extension of time to submit. To do this or find more information go to <http://www.latrobe.edu.au/students/admin/forms/request-an-extension>

For extensions of time for assessment tasks worth less than 15% of your total mark, contact your subject coordinator. **Poor time management is not an acceptable reason for an extension.**

For information about late submission policy, go to [Assessment \(Late Submission of Assessment Tasks\) Policy](#).

ACADEMIC INTEGRITY

“Academic integrity means being honest in academic work and taking responsibility for learning the conventions of scholarship. Academic integrity education is integral to the learning experience at La Trobe University. The University requires its academic staff and students to observe the highest ethical standards in all aspects of academic work, and it demonstrates its commitment to these values by awarding due credit for honestly conducted scholarly work, and by penalising academic misconduct and all forms of cheating” (La Trobe University Academic Integrity – Procedures and Responsibilities, 2015). N.B. The penalty for contract cheating (submitting an assignment that you paid someone else to do) is “exclusion from the University without readmission” (La Trobe University Academic Integrity – Schedule of Responses and Penalties for Academic Misconduct).

You should familiarise yourself with your responsibilities in relation to Academic Integrity. Make sure you have completed the **Academic Integrity Module (AIM)** on your LMS, and check the **Academic Integrity website** at <http://www.latrobe.edu.au/students/academic-integrity>.

If you have any questions, ask your Subject or Course Coordinator.

STUDENT FEEDBACK ON SUBJECT SURVEY

The **Student Feedback on Subjects (SFS) Survey** is one of the quality assurance processes that occur across the University. In this survey, you can tell us about your learning experiences in this subject. We value your feedback. Your views are taken seriously and assist us to improve the learning experience for future students. The surveys are anonymous and will be available prior to the end of the teaching period.

CHARTER OF STUDENT RIGHTS AND RESPONSIBILITIES

As a La Trobe coursework student, you have a number of rights and responsibilities. La Trobe statutes and regulations, as well as policies and procedures govern your rights and responsibilities. La Trobe University aspires to provide an outstanding student experience conducive to scholarly activity and supportive of your learning goals.

The **Charter of Student Rights and Responsibilities** is a brief summary of your rights and responsibilities as a student at La Trobe. The Charter was developed in consultation with La Trobe students. A copy of the **Student Rights and Responsibilities can be found at**
